

Fr. Patrick J. Hughes – *Official Catholic Directory* Entries

Note: Data for the *Official Catholic Directory* is usually collected during the Fall before the year of publication. For example, Hughes is listed at St. Agnes in San Diego in the 1990 *Directory*, so he was likely at St. Agnes for at least part of 1989. According to the *Murphy Report* (p. 241), which calls Hughes “Fr. Ioannes,” Hughes began working in the Diocese of San Diego in 1988. He is not, however, indexed or listed in the 1989 *Directory*, which would typically show his whereabouts in 1988-1989. He might have already been at St. Agnes, or perhaps he began at a different parish or parishes.

Hughes was ordained in 1953. The 1990 and 1991 *Directories* incorrectly give 1983 as his year of ordination. The 1992 *Directory* correctly states that he was ordained in 1953. The 1993 *Directory* provides no year of ordination and no specific assignment in Seattle, indexing and listing him at the chancery on “special assignment.” Such oddities are not unusual in the *Official Catholic Directory* listings of accused priests.
