Enjoy Drama & Musical Shows: Not afraid to get involved. Past year our GYO won 6 awards in diocesan competition

Enjoy ORATORY - find my role as one of encouragement and enthusiasm with the Youth in this area

I am NOT necessarily a sports enthusiasts, BUT would be totally involved in the school's activities, including presence

I own a 10 speed bike (and ride it!)

I ENJOY FUND RAISING.

I do not have a degree though am open to future opportunities

re PERSONAL BELIEFS, ETC::

Student development ought to relate ultimately to local parish where the student will spend most of his adult years

Very definite ideas about the needs of fundamentals of Roman Catholicism to be taught to Students so that not sand but Jesus will be experienced from head to toe

Believe strongly for a very active teacher-parent-student integration in religious growth

re MY HEALTH STATUS::

On last Monday in September, I am to return to Garney Hospital for a 'clean bill of health', according to Dr. Adler of that hospital. Presently he is having me exercise extensively each day - swimming, bike riding & long walks along with tennis - and weight losing!

If I am accepted for this position I do not see why I can not begin to serve immediately as Celebrant of Mass for the Sisters (presently, I am celebrating at the House of Prayer, Gloucester) and become orientated to the Community at Bishop Fenwick and preparing my class work for October 1.
