Rev Richard T. Coughlin - inadvertently met
Richardson of Los Angeles in 1971 after 5 years
of land lease service there.

~~Richardson~~ lived at St. Patrick's, Strabhan
where RTC was stationed. As a boy of
9 to 11 years old, RTC fondled him and his
private parts on "period" occasions.
David is ~~coming~~ off 10 weeks into AA
& recovering as an alcoholic. He has been in
therapy for alcohol year & just left it (his
therapist left town). He wonders if his depression
& sexual difficulties relate to his experience
with RTC. Moreover he wonders if RTC is
still doing this. He felt obliged to come & tell
me. I told him we would handle this &
encouraged him to continue in AA & to
seek therapy if needed.
