Case # 81

The Board unanimously voted to accept the following recommendations of the Delegate:

- That the priest be returned to his hospital ministry in an adult Veteran's Administration Hospital;
- That his Superior and immediate supervisor know about the allegations and the outcome of the Archdiocesan Policy process;
- That the priest become involved in individual psychotherapy to address the issues of improving his response to individuals seeking his pastoral assistance and his own emotional response to others;
- That the Delegate receive quarterly reports on his progress in treatment;
- That the complainant and her family continue to be offered support for outpatient counseling and pastoral support as they deal with the impact of these events on their family.
