1970-71 re. priest who put an ad in paper - he  
worked in troubled youth

Came to Brighton, picked me up &  
I lived in the city! - he needed  
me - no details

"Is he still in ministry?" - "no"  
"ever be?" - "no - living in supervised  
situation - on sick leave!"

Are there any other allegations?  
"yep. - @ example, recently"

Can I help you - no. Just wanted  
to make sure he was not still active.

He sounded calm, strong voiced & didn't  
seem to want to discuss much - just  
wanted to inform and hear.

Asked him to call me if he ever  
needed help. -
