Hi Paul:

I received your billings and passed them on to Fred Ryan for payment.

I look forward to seeing you while I am out in California. My plans at present are to arrive in the Palm Springs area early afternoon on Friday, February 15 and to visit with Jack White and then head on to see you.

What do you think of my arriving on Friday for supper and staying overnight at your rectory. Would that be okay?

I plan on renting a car so my time should be pretty flexible.

I have not been successful in contacting Jack White by telephone. I intend on dropping him a line and letting him know my plans with the hope that he can fit into them.

When I arrive in Palm Springs, I'll give you a call. In the meantime, take care and God bless -
