Miss Eileen Mulcahy
128 Tremont Street
South Braintree, Mass.

My dear Miss Mulcahy:

Thank you for your letter of November 30, 1971 in which you describe your association with Father Paul Shanley, a priest of the Archdiocese of Boston, who in recent years has been involved with drug problems here in Boston and in Weston, Vermont. I have heard from many sources of Father Shanley's good work and I look forward to the opportunity of meeting him personally. Please convey my very best wishes to Father Shanley and extend to him a very warm welcome from his Archbishop when he is able to take the time to make a personal visit here to the Archbishop's House.

Asking a remembrance in your prayers and with every good wish for a Happy and Holy Christmas and New Year, I am

Devotedly yours in Our Lord,

ARCHBISHOP OF BOSTON
