Bishop Hughes

Re: Robert Burns - Bp saw him discussed his problem at length - was open & candid & humble. Al Hughes realizes that there is need but feels that in the light of Burns year of treatment, his candid, his promise to return to Bp Hughes should there be any problem, Bp feels he can recommend placement.

C. P. mentioned discussion w Burns & feeling that he should not be placed where there is a school. Bp suggested a Chaplaincy of some kind, perhaps a place like Marian at St. Paul Manor or a Convent Chaplaincy.

C. P. also mentioned H.S.M. reservations. Al says its OK to share ~~with~~ discussion w H.S.M.

C. P. has asked for a letter of rec from Fr. A. After that is rec'd G. P. will speak to H.S.M. & then proceed w placement if H.S.M. approves.

Bp Hart

re Tad Saja - up-date given. Bp was in Rome when Saja rec'd word of telegram from Saja - Bp said Saja did not seem alarmed, surprised or worried about Saja's well-being.

This gives C. P. reading of Saja's reaction. C. P. explains the present absence of coverage of St. Peter. Bp satisfied w it.
